Erratum

Erratum to: “Solving the neutrino parameter degeneracy by measuring
the T2K off-axis beam in Korea”
[Phys. Lett. B 637 (2006) 266]

The date of receipt of the original article is 21 April 2005.

Eq. (10) should read:

$$\begin{cases} A^e \sim 0.11 \frac{\pi}{\Delta_{13}} \left(\frac{L}{295 \text{ km}} \right) - \left[0.29 \left(\frac{0.10}{\sin^2 2\theta_{\text{rct}}} \right)^{1/2} \sin \delta_{\text{MNS}} \right] \frac{|\Delta_{13}|}{\pi}, \\ B^e \sim -0.08 \left(\frac{L}{295 \text{ km}} \right) + \left[0.15 \left(\frac{0.10}{\sin^2 2\theta_{\text{rct}}} \right)^{1/2} \cos \delta_{\text{MNS}} - 0.015 \right] \frac{|\Delta_{13}|}{\pi}. \end{cases}$$

None of our results and conclusions are affected by the error.
